Pupeederm Care Bubble...

Bubble is a **carbonated powder shampoo** with high concentration of microcarbonate. It helps sensitive hair rich and soft for the pets. **Microcarbon** and **rich foam** quickly remove dead skin cells, loose hair and dirty substances. Lightly rub and rinse lightly to **reduce skin irritation and wash cleanly**

- Moist** Moisturizing ingredients (hyaluronic acid, rice protein) deliver moisture to the skin of dry pets
- Trouble** Enhanced trouble care ingredients (panthenol, calamine) soothe and strengthen sensitive skin
- Hair** Provides nutrients and protects hair by containing good ingredients (silkamino acid, marine elastin) for hair and hair roots

Why Pupeederm Care BUBBLE?

Hypoallergenic shampoo

Bubble shampoo is hypoallergenic because the bubbles are first dissolved in water and not shampooed directly on the skin.

Easy and Clean shampoo

Easily remove foreign substances by entering the water and rubbing lightly **After bath, check the dirty water !!!**

Easy rinsing

Rinse lightly with a gently, less irritating shampoo method and after drying it enrich and shiny.

Carbonated Therapy effect

Bubble Shampoo's rich in carbonic acid and it has an excellent effect on skin exfoliation and soothing.

HOW TO USE

☑ If you wash pet's hair harder, the pores will be close and dirt will not come out. Wash gently.
